

E841CA SERIES - 4K ULTRA HD IP SECURITY CAMERA

Experience the difference 4K resolution recording can make for your security monitoring. This 4K Ultra HD IP security camera provides the highest level of detail and clarity to help you capture those important moments like never before.

This camera also features Color Night Vision with the help of ambient lighting or long-distance black and white infrared in low light settings to ensure around-the-clock coverage. Its heavy-duty aluminum alloy exterior is also designed to withstand harsh weather conditions, giving you years of uninterrupted service. Pair with a compatible 4K Ultra HD Network Video Recorder (NVR) to add reliable, high-quality, security coverage perfect for your everyday needs.

Clarity, Quality and Coverage 4K Ultra HD resolution provides superior definition and detail

- 4K (8MP) Ultra HD, ensuring clear and detailed footage, every time¹
- See more with a wide-angle 105° field of view
- HDR (High Dynamic Range) provides improved video clarity in high-contrast lighting, revealing details in extremely bright and dark areas of the foota

Never Be Left in The Dark See clear, day and night with Color Night Vision™ and IR night vision

- Experience enhanced nighttime clarity and better video evidence with Color Night Vision™ (ambient lighting required)³
- Up to 130ft (40m) IR night vision in low light and 90ft (27m) in total darkness⁴

No Matter the Weather Maximize coverage with cameras built for any climate

- Weatherproof rated (IP67)²
- Operates in temperatures as low as -22°F (-30°C) and high as 140°F (60°C)
- Aluminum Alloy housing, designed to withstand harsh weather conditions
